‘Let Your Light Shine’ Matthew 5.16

Welcome back....

It is with huge pleasure that I can shout welcome back to our two fabulous schools! We hope you have had a lovely summer break with your friends and families.

The children have been back for 8 days now and both schools are really well settled and working SO well! There was a really lovely feel around both schools as the new children and new members of staff settled into their new classrooms.

St Peter's and Park welcomed Miss Ash, Miss Dorman and Mr Hunt at St Peters. and Miss Cornwell and Mrs Bulmer at Park and it looked like they all had incredible weeks with their children.

I must admit it was a pleasure to see our year 3 children from Park-at ST Peters and they settled in very quickly! Everyone has grown a lot over the summer-they all look so grown up!

The new EYFS pupils were confident and happy and Mrs Maxwell and the EYFS team were really excited about the new year ahead.

Year 6 students at St Peter's really look the part. This week we have asked them to apply in writing for the position of Head Boy and Girl. My goodness this is going to be a very difficult decision to make! I will be shortlisting the letters this weekend and then we will interview next week. What a pleasure to read all about how passionately our young people feel about our school.

Thank you to each person who has applied-you've made it a very tricky weekend for me.

Last week I sent both schools a welcome back letter-please refer to that letter for school routines and for information about uniform and expectations. If you have further questions regarding the start of the year-please do not hesitate to get in touch with the school.

So, it's been a really lovely return to school life after the holidays. Thank you in advance for supporting the school with routines, homework, uniform, start and finish times. This is a community and we work well together. When we work well together, our children thrive. It's been lovely to see you all at the gate. So many happy faces-keep bringing the smiles, the sunshine and smiles make all the difference to everyone's day.

EYFS new starters lunches next week.....

Thursday 21st and Friday 22nd are key dates for our new, youngest EYFS adventurers. They stay for lunch!

Parents please ensure that either your child's lunch has been ordered or that they have a packed lunch on those days. Please collect your children at 1.15pm on those days. Thank you!

Park Flu Vaccinations

There has been some communication sent to you this week with a link for you to sign up for the flu vaccinations at Park. This is just a reminder that the link expires on 25th September!

Little Wandle Letters and Sounds....

The two schools together have adopted a new reading scheme to support the teaching of phonics and very early reading. It's called Little Wandle Letters and Sounds. It is used throughout Park and as an intervention where required in St Peter's. All the staff and initial training on our training days and we have lots of lovely resources ready to share with our children. The initial part of the scheme is assessment-where school staff assess each child to find out what phonetic sounds they know and where the gaps are. Then phonics teaching can really match the needs of each child and reading books can be allocated that really match the children's abilities.

Park have been busy assessing this week-hampered by covid causing some staff and pupil absence. We are nearly ready to start sharing books with our children to take home-they will start next week from Park.

There is much more information coming to you in a separate letter this weekend. Please support the development of reading with your children-it's the most important thing we can do for our young learners. The better we can read-the more we can access around us and the quicker we can learn other things. Reading is the key to learning!

I know that many of you (and your children) like to get into a routine of reading-that's great! Please read books at home-anything and everything that the children love-age appropriate that you'd like to share! Thank you for your patience as we assess and organise the new scheme-Park books will be with you soon.
