'Let Your Light Shine' Matthew 5.16

Red Nose Day Mayhem....!

Joke of the day came from EYFS...from
Ronnie **"Why was the broom late?
Because he over swept!"**

This year the theme for Red Nose Day was ... Clothes that Clash! It is fair to say that everyone got stuck in and did something funny for money. Park dressed up, told jokes and some of the staff (as you can see) did their very best to not fit in! (we though they were applying for a position on CBBC!)

St Peter's was equally as silly-lots of dressing up, lots of clashing clothes, lots of silly jokes and best of all the huge cake sale! Thank you all so much for your donations of cales and lovely bites! Well done to the school council for their organisation and brilliance! Check out these cakes (and these smiles!!)

16 years old. It had previously dropped to 13 years old but in April 2018 returned to 16, as a response to data-protection legislation. No children in primary schools should be using WhatsApp. If your child is using WhatsApp on their devices-it is the parent's responsibility to ensure that this is being used with care, safely and with kindness.

We have seen some of the content. Some of the language used is rude, offensive and inappropriate and it has caused upset. We have spoken to the children about appropriate use, but it is very important that parents take responsibility to train/teach our children how to use these applications safely. We have seen screenshots of language that is offensive-being used by our children. Online bullying does the same damage as face to face bullying and is something that our school is working hard to address. It is important that Parents and Carers monitor their children's use of media and technology to keep them safe and police the language used. Thank you for your help and support with this matter.

Netball winners...!

On Monday this week, our netball team from St Peters' played in the Trust netball festival. The event was run by Manor students/school leaders. We entered two teams and both played magnificently!

St Peter's even managed to come back with the trophy!

We'll played everyone and well done for letting your light shine so brightly! We're very proud of all of our netballers.

Esafty and sensible tech news....

It was brought to our attention that some of our students were using WhatsApp inappropriately. In Europe and the UK, the minimum age of use for WhatsApp is

Netball News
 (if you love the game-get involved) >>>

Atomic Tom...!

This week, year 3 & 4 had a visit from Atomic Tom following on from the work they had completed for British Science week. Year 4 had lots of fun investigating heart rates and year 3 became fossil hunters!

Together we can light the touch paper on your child's future-so please continue to listen to them read, challenge them with maths and help them learn their tables, help make them curious and love learning!

Thank you for attending your parent's evenings this week.

Comics and magazines please....

Dear parents, St Peter's is looking to develop our library. We need magazines and comics so that we can develop our resources, developing a love of reading! We'd love a bank of comics and appropriate KS2 aged magazines for children to enjoy at playtimes and lunchtimes. Please can we ask families to look at home for any old comics and if you wouldn't mind-donating them to our school library.

We love reading and we are desperate to keep our children reading all sorts of fun texts.

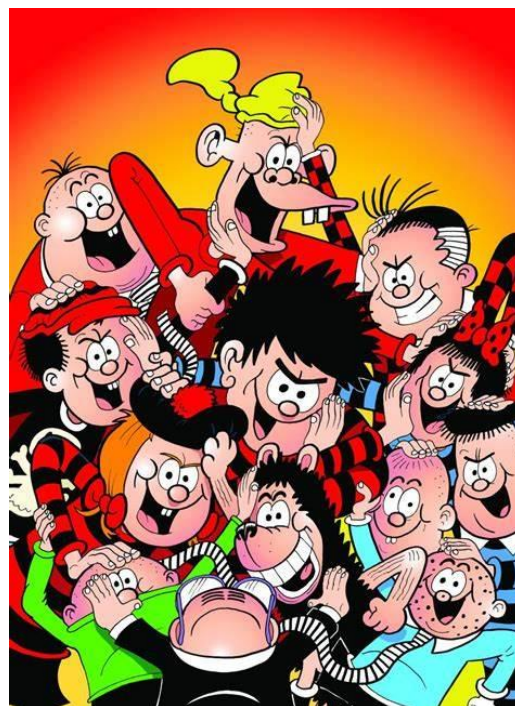

Thank you!

Parent's Evenings...

Monday-Park, Tuesday-St Peter's, Wednesday-Park, Thursday-St Peter's. Thank you all for coming and being a part of your child's learning journey. With support from all sides, our children will continue to "Let their light shine!" It has been a long week-so thank you to all our wonderful teachers who have worked so hard and given their time to meet you all.

"Education is a passport to a brighter future, and parents are the guardians of that passport."

The Northants Education Awards...

Here is some information about the up and coming Northants Education Awards-in local education terms, these are like the Oscars for Northants Schools!

As Principal, I am extremely proud of the high quality of the people in both our school teams. I know how caring, professional and dedicated to our children they are. We want to share with the rest of the county just what a dedicated and passionate community we have here at Raunds Park and St Peter's and Nene Education Trust.

Therefore, we would like to encourage you to join us in celebrating these talents by entering your school/teachers/staff/colleagues into the NEAs this year. If you feel that you could spare the time to celebrate someone or even the whole school, it would mean the world to our staff. This may sound cheeky sending it to our parents and families, but I don't think these awards are known to everyone and, well-you don't get it if you don't ask. I am incredibly proud of our staff, children and schools-and i hope you are too!

This year's categories are:

- Maths Team/Teacher of the Year
- English Team/Teacher of the Year
- IT Champion
- Environmental and Sustainability Award
- SEND School of the Year
- STEM Award
- Unsung Hero
- Equality, Diversity and Inclusion Champion
- School Business Manager of the Year
- Headteacher/Principal of the Year
- Primary School of the Year
- Secondary School of the Year
- Overall School of the Year
- Lifetime Achievement Award

Nominations close on 23rd August and more information can be found here: [NEA | Proudly presents... \(allthingsbusiness.co.uk\)](http://NEA | Proudly presents... (allthingsbusiness.co.uk))

Thank you!!

Eco-News....

COMPETITION TIME>>>

This information is hot off the press from the eco-club team-there's a competition To celebrate World Water Day, we would like you to create a poster explaining why it is important to protect our water sources and oceans from pollution. Your poster can be hand-drawn or designed on a computer. The deadline is Wednesday 20th March at 9am. We look forward to judging your entries next week!

Eco-Club

Ukulele Legends...!

For the last 10 weeks, NMPAT (Northamptonshire Music and Performing Arts Trust) have been teaching our Year 5 children how to play the ukulele. This afternoon, the children had the opportunity to put on a fantastic performance for their parents/grandparents/relatives/friends in our school hall – it was well received and the children loved the chance to show what they have been learning

Next week's dates...
